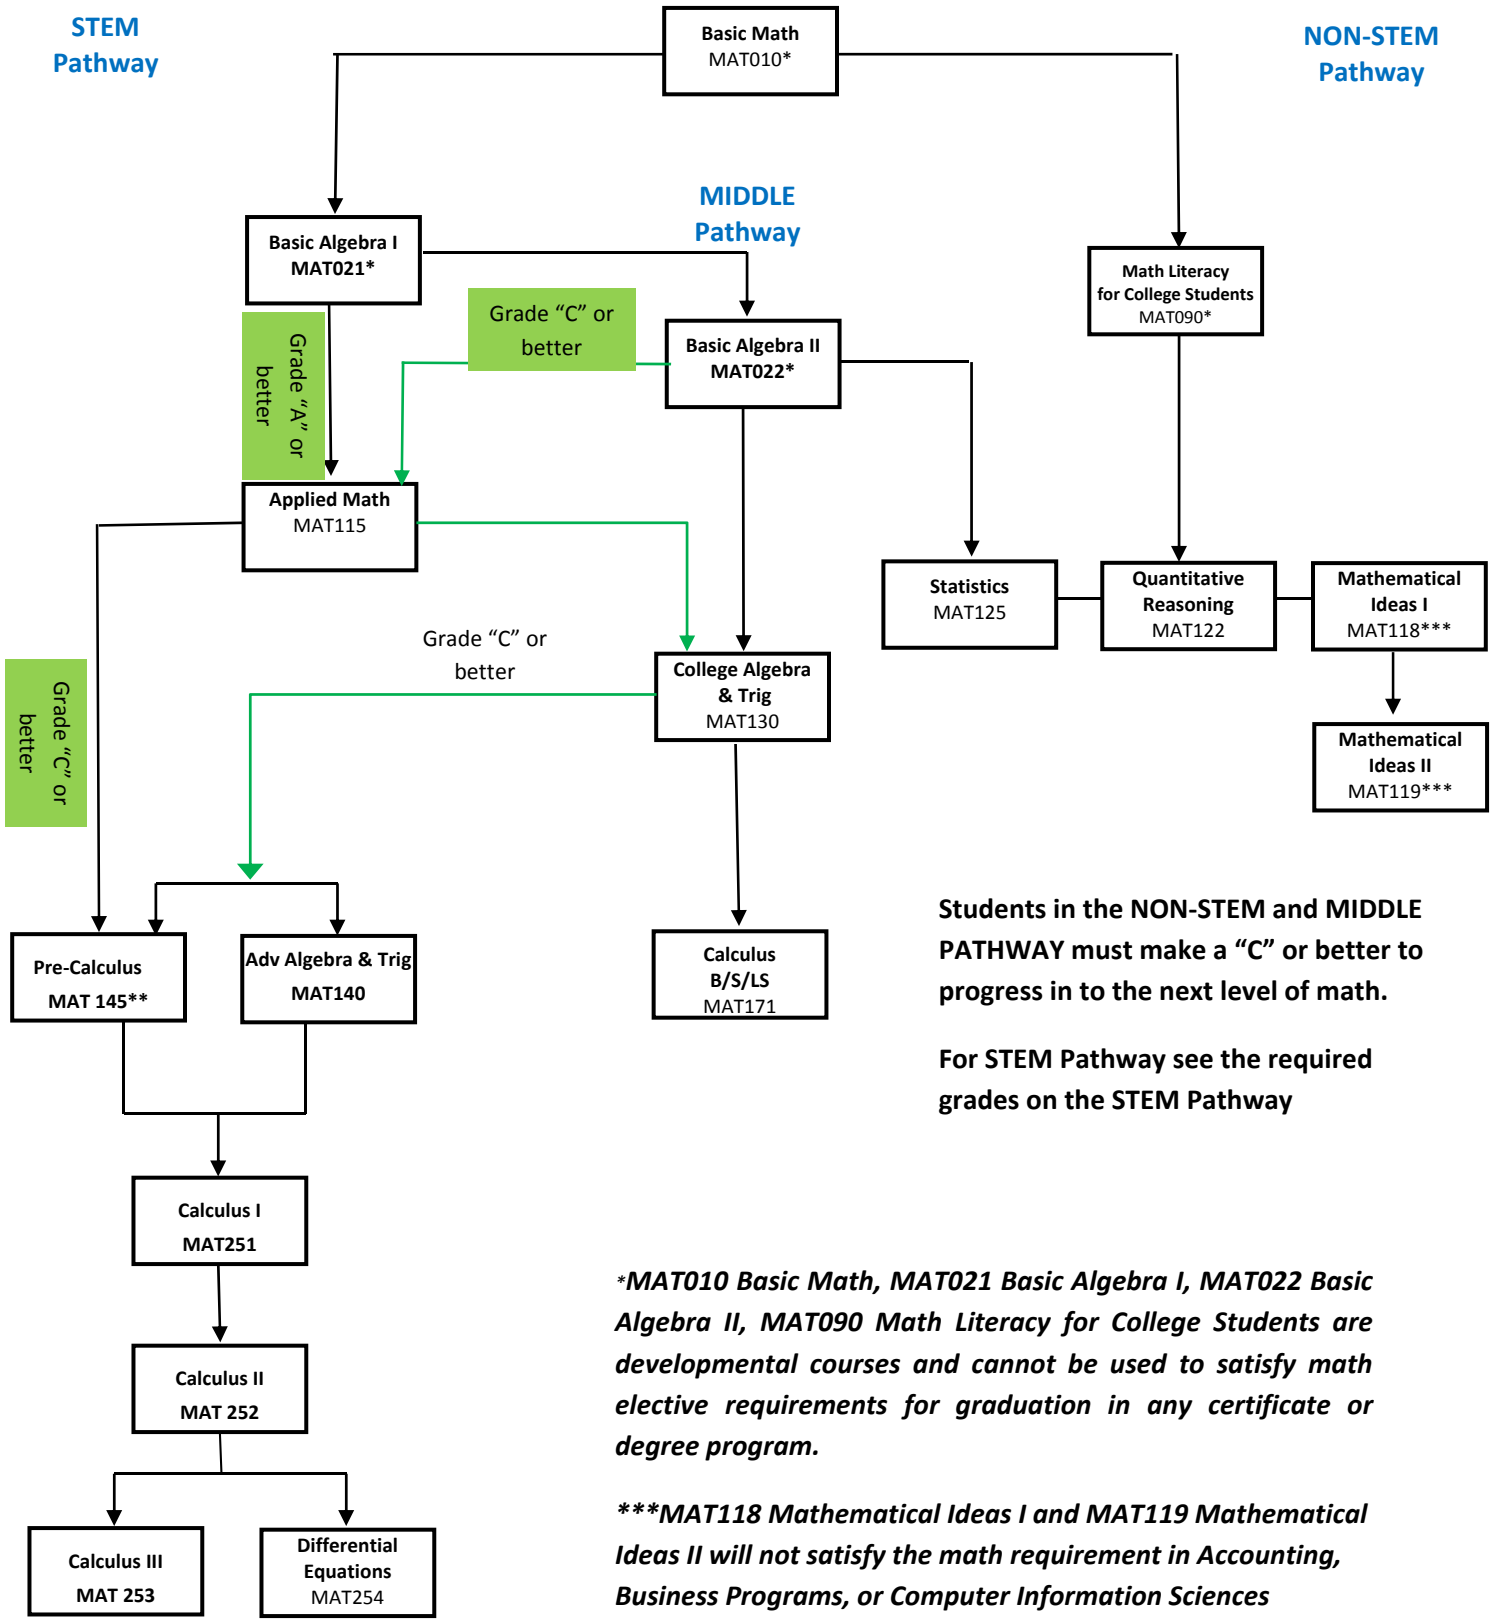
Math Chart

The Math Chart represents the relationship and sequencing of the math courses offered at NECC. Your initial placement into a sequence of math courses is dependent upon your Math Assessment Test result. Individual programs require particular math courses and sequencing. **Please see an academic advisor before selecting the math course sequences in your academic program.**



Students in the NON-STEM and MIDDLE PATHWAY must make a "C" or better to progress in to the next level of math.

For STEM Pathway see the required grades on the STEM Pathway

****MAT010 Basic Math, MAT021 Basic Algebra I, MAT022 Basic Algebra II, MAT090 Math Literacy for College Students are developmental courses and cannot be used to satisfy math elective requirements for graduation in any certificate or degree program.***

*****MAT118 Mathematical Ideas I and MAT119 Mathematical Ideas II will not satisfy the math requirement in Accounting, Business Programs, or Computer Information Sciences programs.***
