

PROGRAM REVIEW STATUS REPORT

PROGRAM: DENTAL ASSISTING

Date of update: ____4/23/14____

Update provided by: ____Kerin Hamidiani____

IMPROVEMENT ACTIVITIES AND RESOURCE REQUESTS		STATUS OF ACTIVITIES AND REQUESTS	
DATE RECORDED	ACTIVITY OR RESOURCE REQUEST	DATE OF STATUS REPORT	STATUS
February, 2013	Future needs to support program expansion	April, 2014	Plans to renovate new lab space in Dimitry building are on hold for funding.
February, 2013	Changes in the Accreditation Standards	April, 2014	Accreditation standards require larger Dental Materials lab space. Plans to renovate new lab space in Dimitry building are on hold for funding.
February, 2013	Purchase of more current technology	April, 2014	4 new digital sensors were purchased, 3 with NECC funds and 1 with Perkins funding. The new sensors provide students with the most current skills in dental radiology and were extremely beneficial for 2014 Sealant Clinics in allowing NECC students to treat more patients (41).
February, 2013	Identification of more funding sources to purchase more current technology	April, 2014	Ongoing.
