

PROGRAM REVIEW STATUS REPORT

PROGRAM: Radiologic Technology

Date of update: 03/27/14

Update provided by: Angela Bowers

IMPROVEMENT ACTIVITIES AND RESOURCE REQUESTS		STATUS OF ACTIVITIES AND REQUESTS	
DATE RECORDED	ACTIVITY OR RESOURCE REQUEST	DATE OF STATUS REPORT	STATUS
January, 2013	Library needs Radiography books published within the last 5 years.	02/13/14	Books updated Fall 2013
January, 2013	Need for new technology of Digital Radiography in the X-ray laboratory.	02/06/14	Working on potentially adding DR technology to our CR and possible funding
January, 2013	The program needs to be assigned windowless rooms or rooms with adequate window shading for teaching procedures-based courses.	03/27/14	When possible rooms are assigned by the registrar's office to meet these accommodations
January, 2013	A question can be added on the student's Exit Survey about the usefulness and functionality of the campus library.	03/27/14	It was not added to the survey. I would like to change this to: did the students take advantage of the library resources.
