<b><u>Strategic Initiative</u></b>	<b><u>Indicator (the specific)</u></b>	<b><u>Baseline</u></b>	<b><u>Outcome Measure / Target</u></b>	<b><u>Results</u></b>
Maximize college fundraising efforts to improve program quality; enhance college and community environment; and help to ensure student success.	<p>Successfully manage the college's fundraising initiatives with assistance from the President, and members of the college's Foundation, Board of Trustees, Women, and Alumni Advisory Boards; develop new opportunities.</p> <p>Complement and supplement the college's state budget and enhance program offerings and services through public sector grant awards.</p>	<p>In FY'06, the Institutional Advancement Unit raised \$851,850 in private sector funds.</p> <p>In FY'06, \$2,934,863 was awarded in public sector grants.</p>	<p>In FY'07, the college will seek to raise a minimum of \$500,000 in private sector funds. To meet this target, internal cooperation is needed as is the assistance of volunteer boards. (Although this target is less than FY'06 funds raised, it is due to the fact that pledges were paid down in FY'06/Capital Campaign initiatives were Completed, and the Lawrence Capital Campaign is not yet underway)</p> <p>In FY'07, seek to increase this amount by 3% (\$88,046 for a total of \$3,022,909). Meeting this challenge requires the continued cooperation of college faculty and staff; and funding by legislative bodies of relevant funding opportunities.</p>	

	<p>Maintain level of scholarship support available to assist students in achieving their educational goals; address KPI#9 in order to meet KPI goals for institutional effectiveness.</p> <p>Strengthen relationships and communication with alumni and friends via all methods available (such as e-mail, face-to-face, mailings, phonathon, etc.).</p>	<p>\$126,680 in scholarship funds was awarded during the 2005/2006 academic year.</p> <p>In FY'06, over 70,000 contacts were made with the college's alumni and friends as a result of the production of numerous mailings and phonathon lists from the Raiser's Edge database; as well as e-mails, face-to-face meetings, and other events and activities.</p>	<p>Maintain a level of donor support that enables the college to meet or exceed the FY'06 scholarship award levels. In FY'07, address KPI#9 by attempting to increase the number of minority student scholarship recipients; make progress in meeting the needs of students whose expenses are not fully covered; and meet periodically with members of the Financial Aid staff and the Comptroller's office.</p> <p>In FY'07, the number of contacts made with alumni and friends will remain strong at approximately 70,000 (given the fluid nature of the database and dependent on an adequate budget for production and mailings).</p>
