Time	Item	Notes	Responsible
<p>2:10 – 2:30 20 minutes</p>	<p>Item # 1:</p> <ul style="list-style-type: none"> • Update on our meeting with Lane and Steve 	<p>Lane was well prepared for this meeting, He had viewed Ven diagrams, he had a clear sense of the Committee’s work. Mary Chatigny, Duane Quinion and Linda Meccouri were in attendance at the meeting with Lane. The discussion encompassed CPD direction with numerous logistical issues to be worked out.</p> <p>Much discussion about the naming of Center for Professional Development, both past and future. Past names have been Center for Faculty Development; Center for Teaching and Learning and Center for Professional Development. A new name is needed that would be inclusive of work from all areas of the college, a need to simplify the meaning of professional development for the College. A recommendation was made for the Center for Teaching, Learning and Leadership. Linda Meccouri will make a recommendation to Lane; no decision for naming has been made at this time.</p> <p>Some in the group questioned the role/future of Goal 5 team: would it become an advisory group? The discussion centered on the timing of a paradigm shift: not to change the structure but to change the culture to one of Culture of Learning.</p> <p>The Center for Professional Development is a <u>part</u> of the Culture of Learning with activities that focus on faculty, staff and leadership. Also with focus on marketing, communication, measurements, internal and external professional development events.</p> <p>This Goal 5 team meeting time was focused on the above topics.</p>
