

**PK-12 Collaboration Team  
Meeting Minutes  
Fri, January 18, 2013**

**Team Members:**

**Present** – Gisela Nash, Silvia Serrano, Donna Felisberto, Martha Bixby, Kim Waligora, Fiona Edwards, Lori Dimitrov, Alex Fishbone, Jayme Haddad, Brandi Thomford, Linda Giampi, Lori Weir, Donna Bertolino, Niurka Aybar, Ellen Grondine & Beth Donovan

**UPDATES**

**Lawrence Student Success Center & Community Relations**

- Applications are available for the NECC Summer Bridge Program. Last summer the program had 15 Latino students enrolled. This summer the program will run the last two weeks of Aug and there is space available for 15 students. The deadline for application is June 1<sup>st</sup>.  
[www.necc.mass.edu/student-services/current/student-success-center](http://www.necc.mass.edu/student-services/current/student-success-center)
- NECC students involved in the Student Outreach Squad (SOS) are working a couple hours a week with at risk students at Lawrence High School on Wed and Thurs. The program is being coordinated by Silvia Serrano and Mike Fiato, Principal at Lawrence High School Humanities Leadership Development (HLD) school.

**Student Assessment, Academic Placement and Testing**

- Haverhill High in the process of testing rising Sophomores

**Perkins/Vocational School**

- New state articulation agreements are available for IT, Electrical, Art & Communication and CAD

**Student Enrollment Services**

- Tested over 37 Lawrence High School students and 15 Notre Dame students for Dual Enrollment. College for a Day is scheduled for 4/24/13. Laurie will send PDF so we can send to area high school principals. An online admission form is now available on the NECC site.
- FASFA Fenzy Fridays will begin in April. Alexis and team are available to do financial aid presentations as needed.

**Middle School-High School Outreach – Natural Sciences**

- Working with Nettle MS, Greater Lawrence, Shawsheen Tech and Whittier. Esperanza Academy – interested in enrichment opportunities. Cost would be about \$600 per group. Kim does not have funding for this at this time.
