

Guiding Principles for Space Backfill Planning for 45 Franklin Street

1. Move Library to 1st floor.
2. Find good space for Student Tutoring Center.
3. Find better space for Student Success Center.
4. Replace all general purpose classrooms displaced by space planning.
5. Define need for and add additional general purpose classrooms.
6. Designate separate Assessment Center space.
7. Consider optimal adjacencies and cost effectiveness for all plans.
