Health Profession Testing

The TEAS V for Nursing Students, TEAS V for Allied Health and Fundamentals Assessment tests are designed to predict academic readiness of an applicant prior to admission into certain NECC Health Programs.

Testing is offered each month in the morning, afternoon and evening at the Haverhill Campus and at the Lawrence Campus.

Registration and payment for the TEAS V for Nursing & TEAS V for AH Assessment testing is done online. To view available testing dates, register and pay go to the Academic Placement & Testing Health Profession website at http://www.necc.mass.edu/academics/testing/hptesting/ and follow the Registration Process or go directly to www.atitesting.com.

You will receive an ATI email confirmation of your testing appointment. Bring this confirmation and your ATI Username and Password with you on the date of testing along with a Photo ID (valid drivers license or school ID with a photo).

Select Program Type TEAS for Nursing Students, TEAS for Allied Health, Select Country USA, Select State Massachusetts, Select City Haverhill or Lawrence Click Next. Choose a date for testing, Click Learn More for test session information and Click Learn More and then click Register to sign up.

Once you have created your account, you will need to sign in to register and pay for the test.

To take the Fundamentals Assessment test, you will need to go to ATI and create an account with a username and password at www.atitesting.com.

Fill out the Request for Fundamentals Assessment Test at Northern Essex Community College Form at www.necc.mass.edu/academics/testing/hptesting/ and submit your NECC Registration Fee of $35.00 to schedule and reserve your seat.

On the day of testing, bring your ATI account information and a credit card to sign in to your account and pay for your Fundamentals Assessment test. Also bring a Photo ID (valid drivers license or school ID with a photo).

Preparation products can be purchased at www.atitesting.com or you can purchase a manual at the NECC Bookstore.

An applicant may take the TEAS V admission test two times during an admission cycle; however, there must be an interval of six months between the two tests. A third attempt must be approved by the Program Coordinator regardless of the interval between testing. The most recent test results will be used for that admission cycle only. (ATI recommends that there be an interval of six months between the two tests. A student will not be blocked from registering prior to the six months; however, if the student attempts to take the test they will be locked out.
