

NECC 2020 Raw Data
Fall 2015 Convocation Table Notes (typed verbatim from newsprint)

Table Notes

1. Technology Upgrade (infrastructure, policy, mobile/wireless)
2. Increased interdepartmental collaboration/communication
3. Student success – thru targeted Prof Dev around serving Latino students, improving affordability (books-free/online), viewing students as whole people w/compassion + understanding = retention

Table Notes

1. Better communication and interaction by both/ALL campuses
2. Student Success (whole process from entry to Grad/Transfer)
3. Keep up w/Tech. for teaching and learning

Table Notes

- Teamwork/collaboration
- *Innovation
(Technology)
(Curriculum Design)
(Organizational Development)
 - *Retention

Table Notes

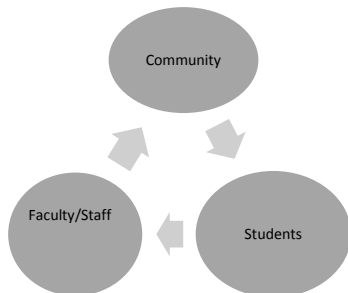

- Bilingual Podcast
- Fusing STEM & Humanities
- Few Div. meetings/more dept. meetings

Table Notes

1. Student Center Focus
2. Relationships/interaction with students
3. Creating positive experiences!

Table Notes

1. Career Preparation/Exploration
Development
Launching pad
2. Collaboration

3. Maximizing available student & academic support resources

Table Notes

- Collaboration Opportunities Across Disciplines & Departments – i.e. integration of better services for specific groups (i.e. veterans) physical services (Lawrence library to 1st floor etc.) faculty mentoring, DCE etc.
- Aligning Curriculum with Services – early identification & referral to tutoring, library, etc.
- Expand Student Campus/College Involvement (committees, development of new teams, etc.) Clubs (academic and social), facilities, etc.

Table Notes

- Collaboration
 - Cross pollination – depts., people, resources
 - Better unity between campuses & departments
- Expand Student Services
 - Student Success Center in Haverhill
 - Continue & expand Goal #3
- Continue Goal #5
 - Increase faculty/staff collaboration & socialization
 - Align resources across the college

Table Notes

Data Driven Decisions

1. Enhance Career Development/Career Prep
2. New ideas should be vetted (program development) thru research/focus groups, etc.
3. Community Partnerships
 - State of the Art Fitness Ctr. Nutrition Ctr.

Table Notes

- Faculty Expertise
- Student Centered
- Team Work

Table Notes

- Connectedness
 - Campuses better connected
 - FYS & other student support across time
 - One book for all students/classes
- Integration (esp of student support!!)
 - Expansion of SSC across both campuses (multicultural center)
 - Accessible media & tech for all students
 - Support beyond grad/transfer – Alumni Network
- Openness to Change
 - Using Quarrybrook facility
 - More reflection & mindfulness about initiatives & services
 - Make FYS a requirement for all students

Table Notes

Collaboration between face to face, online instructors and CIT. Importance of collaboration when using technology

Connections between NECC, the communities of Haverhill and Lawrence and the organizations in these communities. Gaining a global perspective

Wishes

Stronger IT Infrastructure

More Full Time Faculty

Table Notes

Student Engagement

Career Preparation Opportunities!

Serious Fun

Table Notes

1. Community Connection

-to the larger community

-inside the college

-global community

2. Holistic student experience

-transformative learning

-guided pathways

3. "College" experience

-intellectual experience

-cultural experience

-cohesive identity for an NECC student

Table Notes

Theme:

1) Student Success

-Specialized Academic Advising

-Simplified Admissions Process

Theme:

2) Fostering Community Relationships

-NECC & beyond, including international

-Partnerships – reciprocity

Table Notes

I) Int'l/Immigration recruit & education

II) Revamp & Re-amp Policy for Student learning

III) Increase & Secure funding sources in order to increase student centered services ie, transfer, scholarship, internship, etc.

Table Note

- Expand our “Community”
 - International
 - Employees
 - Events
 - Services we offer
 - Partnerships
 - High Schools
 - Public Safety
 - Vo Techs, etc.
- Complete “College Experiences”
 - Athletics
 - Clubs, orgs
 - Student supports
- Partnerships
- Resources – Financial Plan for all

Table Notes

- Student Success
- Connection w/students
- Meeting the needs of students

Table Notes

1. Collaboration
 - Cross-campus
 - Cross-department
 - Community partnerships
2. Professional Development
3. Student Support Services
 - Student Success
 - Retention & graduation
 - Not just academic
 - Other/outside resources

Table Notes

Finding opportunities to increase awareness (provide training to Police Academy about how to work with the Deaf/HH Community)
Increased opportunities for HS students to earn dual-enrollment credits for Deaf Studies classes (ASL, Deaf Culture, etc.)

Table Notes

1. Team building/collaboration
2. Adequate selection process to ensure adequately prepared students for rigorous academic programs
3. Adequate educational resources for all programs

Table Notes

- 1) Focus on students in all our decision making
- 2) Fostering relationships w/the college and outside e.g. internships, learning communities, career exploration, leadership academy....
- 3) 21st Century 'Working' Technology in the classroom

Table Notes

- Foster creative and critical thinking across all disciplines, from art to science
- Seek a real balance between transfer – articulation agreements/graduation and innovative course developments that excite & attract students

Table Notes

- 1) More collaboration - we value collaboration & we want more of it
- 2) Access, opportunity & support for student success – hands on learning opportunities, curricular alignment, accelerated classes & course design, international learning opportunities, funding for classroom materials
- 3) Civic engagement & service learning - leverage diversity
- 4) More opportunities in Lawrence

Table Notes

- 1) Create a new goal to focus on a structured service learning program
- 2) Continue to develop online programs & expand non-traditional tracks w/diverse course offerings
- 3) Ensure students have access to resources needed to be successful including technology, textbooks, & OER

Table Notes

- 1) Student Success Through:
 - Early career decision-making/networking
 - Personalized/individualized advising w/consistent individual advisor
 - Accommodations both academic & facilities
 - Embracing traditional liberal arts values in conjunction w/career prep

Table Notes

- Partnerships – internal/external (local & global)
- Student Success (accessible media, accommodations for students & access)
- Collaboration
- Professional development
- Increasing staff/faculty diversity
- Technology/innovation – more student support, online courses, green initiatives
- Post-graduation student success – career exploration/planning (Scale Up)
- Diversity of course offerings, non-traditional tracks, more full-time faculty
- Scale up online offerings
- Guided pathways – transfer/articulation – testing/assessment
- Strategic advising/development of new programs
- Standard offerings of services on both campuses
- Civic Engagement/Service Learning
- Foster critical thinking
