SOAR FORUM

THEME: Career Exploration + Development = Student Success

Please talk with participants at the table, or reflect personally, and record your thoughts, ideas, and vision about an opportunity that supports our strengths at NECC around this theme. Please feel free to use multiple sheets.

STRENGTHS What is NECC doing really well presently to achieve this goal? What areas of the college are our greatest assets in creating and meeting this theme's goals? Strengths Notes: our internship + externship experiences are incredible. the courses are of high quality, + the placement sites are great.
OPPORTUNITIES What are the best opportunities for NECC to achieve your vision of this theme? How could we partner internally and externally to achieve this? Opportunity Notes: potentially a career development/exploration curriculum. especially undecided majors. we could hire graduate ^{for} assistant advisors for resources.
ASPIRATIONS To what do we aspire? Please describe your vision of a preferred future for NECC with this theme successfully implemented Aspiration Notes: at higher level aspire to be a leader in career exploration in the community
RESULTS What will we measure to determine if we have met your vision and implemented opportunities? What will the change be that we are known for? Results Notes: High retention + enrollment

STRENGTHS What is NECC doing really well presently to achieve this goal? What areas of the college are our greatest assets in creating and meeting this theme's goals? Strengths Notes: → Student Success course model / Comp I, ART mult. courses use these models already → tools that have this capability already in house - Core Academic Skills already in place and utilize this
OPPORTUNITIES What are the best opportunities for NECC to achieve your vision of this theme? How could we partner internally and externally to achieve this? Opportunity Notes: → use existing software packages by adding modules as needed. → create PD on how to use, implement, ect → * place to "activities" global learning, required
ASPIRATIONS To what do we aspire? Please describe your vision of a preferred future for NECC with this theme successfully implemented Aspiration Notes: * bring back of utilizing e portfolio → use both w/ NECCLink and link to degree works for student career aspirations and transfer
RESULTS What will we measure to determine if we have met your vision and implemented opportunities? What will the change be that we are known for? Results Notes: * all courses linked courses through portfolio building. * documentation of journey through degree for students and can utilized by ERP
