

## About ACCUPLACER

- ✓ ACCUPLACER is a Massachusetts **state mandated assessment** and is required of all students entering state colleges.
- ✓ ACCUPLACER measures academic skill level in **Reading, Mathematics and Writing**.

## Tips for Taking ACCUPLACER

- ✓ **Take this test very seriously!** Take your time and do your best work! The computerized reading, math and sentence skills' testing is un-timed. The Writing Sample will be timed. You will have 50 minutes to type the best essay you can.
- ✓ **Remember to arrive about 10 minutes early.** This will give you time to find the testing area, restrooms, phones, etc.
- ✓ **Relax!** Do not worry if you are not familiar with computers. You do not need to know anything about computers to take the ACCUPLACER test.
- ✓ **You will need to request an NECC ID number.** You must have a NECC ID to take the ACCUPLACER test. Go to [www.necc.mass.edu/future-students/https://www.necc.mass.edu/future-students/](http://www.necc.mass.edu/future-students/https://www.necc.mass.edu/future-students/), click REQUEST INFORMATION and complete the Prospective Student Information Form. You will receive your NECC ID number via email within 24 hours.
- ✓ Also, remember to bring a picture ID.
- ✓ **You are not allowed to use dictionaries, calculators, notebooks, or textbooks of any kind.** There is a calculator enabled on ACCUPLACER for certain math questions and you will be provided with scratch paper.
