- **Meeting was called to order**
- **Approval of December 11, 2017 minutes** - motion to accept as is and seconded.
- **Student of the Month** -Paul asked the committee their opinion on whether the existing requirements for Student of the Month are reasonable or should anything be added or changed? General consensus was they are adequate as is.
- **Spring 2018 Student Affairs dates and times** were provided and reviewed to ensure everyone was aware of the change to the March date. It is March 19 and not March 12.
- **All College Assembly/Safety concerns and protocols** - This committee has raised questions regarding predominant security issues for several years with little resolution. The thought is that if these issues are addressed in a wider arena that perhaps we will see movement toward some solutions. These issues will be discussed at the All College Assembly on Monday, February 12th, at noon in TC103/LC301.
- **Other Business** -Paul discussed concern about this committee not having enough student representation, the importance of our members attending a Student Government Association (SGA) meeting occasionally and the absence of representation from our Student Life area. Paul will address these concerns with Dan Malave, Director of Student Life, and will reach out to the SGA.
- **Call to adjourn and seconded.**

Our next meeting is February 12, 2 -4pm in A112/LC301
