REGISTER FOR THE TEAS

The ATI TEAS is administered in a standardized environment like a testing center or a school and is overseen by a proctor.
Contact the school in which you are applying. Some schools handle administering the test at the school while others will go through a testing center like PSI. This is why you see two registration links below.

STEP 1:
Sign in or create a new user account.

STEP 2:
[Click here to visit the page shown below and click "Register for TEAS before using ATI"](#)

STEP 3:
Choose where you would like to take the exam. You can take it at your institution if they offer it. If not, you will need to choose a PSI location.
