

Free Refresher Session for the Accuplacer Math Test

- You're invited to a free Refresher Session for the Accuplacer Math Test
- This is a free online session. The session will be held via Zoom.
- You will be given access to an online math program that is specifically designed to provide practice in the math skills needed to score well on the Accuplacer exam.
- No special software is needed; you need just a PC or a Mac with camera capability and Internet access.
- You can sign up by contacting Dan Svenconis (dsvenconis) at Northern Essex (@necc.mass.edu)

ALL ARE WELCOME!!!
