

ISE meeting 01/07/21

1. Spring enrollment/advising/registration updates
 - a. Enrollment is currently down 15%.
 - b. The FTE is down 20%.
 - c. Faculty are very busy working with students and assisting them with being registered for the spring.
 - d. The fall semester was very difficult as students continued to drop out of courses. Faculty worked very hard to try to bring students back to class.
 - e. Faculty were flexible in not dropping students from class but gave them every opportunity to finish.
2. Team Updates
 - a. Pathways/Navigate
 - i. Testing on one click registration ongoing.
 - ii. Working on a communication plan for students when one click registration is rolled out.
 - b. SSH
 - i. Laptop initiative will continue in the spring. Application period is from 1/11 to 2/1.
 - ii. Marketing will send out communication to students regarding the dates.
 - iii. Student Affairs will send reminders to students on three consecutive Mondays.
 - iv. Navigate will text students as a reminder to apply.
 - c. Academic Centers
 - i. Health Center is busy with spring registrations.
 - ii. Liberal Arts is busy with appointments.
 - iii. STEM is offering free spring boot camps for students.
 - d. Advising Reform
 - i. Academic probation reports are being cleaned up; once complete students will be assigned to their centers.
 - ii. Change of major report being run once per week.
 - iii. Navigators are available to assist continuing students.
3. ATD visit via Zoom Jan. 8
 - a. Bill will provide a written document of what has been done to date; please review.
 - i. Try to have questions ready for the Coaches.
4. Other Issues
 - a. Next meeting is February 4, 2021.
