**Important Notes:**

- PC's accessing statewide systems should not have Windows XP or Windows 7 as the operating system
- Internet Explorer is no longer supported. Departments are strongly encouraged to use Microsoft Edge with IE Compatibility
- Before upgrading your browser, please check compatibility with other local web based applications
- Pop-up blockers must be disabled to allow page help to function properly
- Mobile Devices must have Web kit device enabled
- Multiple versions of JAWS can be run to support different application on the same desktop
- Updates will be issued when there are any changes
